Vasa Lodge Skandia held their October meeting at the I.O.O.F. Temple on Oct. 1 at 7:00 p.m. Initiation was ably performed by the Drill Team with one member, Allan Carlson, joining our fraternity. Norman Pettersson accepted the position of Cultural Committee chairman for the Scandinavian Centre Association. After the meeting a lovely lunch was served followed by dancing to the music of Carl Elgstrand's music. The next meeting will be held in the I.O.O.F. Temple on Nov. 5 and will be followed by a dance. Let's see an enthusiastic crowd at both these events!

The past month has been rather uneventful with not much other than routine happenings. At the September meeting it was decided to hold a pot-luck supper with our October meeting, and then make plans for a Christmas Party in December.

At the Children's Club "Framat" meeting on Oct. 2, elections were held, and those elected will complete this year and continue through 1961. The children showed good judgment in their voting, and the same eagerness as at the first meeting was evident. The following were elected: chairman, Carol Pearson; vice-chairman, Marilyn Pearson; secretary, Alda Markstad; treasurer, Glen Pearson; chaplain, Karen Pearson; master of ceremonies, Harvey Eklund; guard, Grant Eklund. The next meeting will be conducted by the children. It was decided to hold regular meetings the first Sunday of each month at 2:00 p.m., at least for the winter months.

The district was saddened by the loss of a neighbor, Lawrence Erickson, on Oct. 19. The sincere sympathy of all our Lodge Members is extended to Doris and family.

With the fall weather holding favorably it appears that the sidewalk and water and sewer programs in the Town of Calmar will reach completion before winter.

Icelandic Society

The October meeting of the Icelandic Society of Edmonton was held at the Windsor Park home of Mr. and Mrs. Harold Halldorson. Films of the summer picnic were shown, and some other very interesting films were featured. Details of the meeting will be reported later.

Mrs. Bertha Keys and Mrs. W. S. McNaughton made a series of calls at the homes of relatives and friends in the Markerville, Red Deer and Innisfail districts prior to the departure of Mrs. Keys for her home on Vancouver Island. They enjoyed a social gathering of the Icelandic Ladies' Aid "Vonin" while in Innisfail, and another Icelandic gathering at the home of Mr. and Mrs. Einar Stephenson in Red Deer.

Congratulations are being offered to the proud grandparents, Mr. and Mrs. G. J. Hendrickson, on the birth of their grandson, Larry Michael, at the Royal Alexandra Hospital on Sunday, Oct. 9. Congratulations also to the happy parents, F/Lt. Larry Chmelyk and his wife, Joan (nee Hendrickson), and their daughter Lori.

Funeral services for Mrs. Bertha Ellen Anderson, 73, of 10409 Park Road, were held in the Andres and McLaughlin Chapel on Saturday, Oct. 22, with Rev. C. A. S. Elliott officiating. Burial was in the Edmonton cemetery. Mrs. Anderson collapsed on an ETS bus during the civil defence disaster exercises and was admitted to General Hospital. Sympathy is expressed to her son, Marvin, and her daughter-in-law, and the two grandchildren, as well as to the William Anderson family. Mrs. Anderson was the widow of Mr. S. J. Anderson, a brother of Mr. William Anderson.

Mr. and Mrs. J. H. Petursson have returned from Winnipeg where their infant son was given the names D'Arcy Allan at a christening ceremony performed by Rev. Phillip M. Petursson. The child's godparents are Miss Donnie Davidson, Mr. Bjorn Petursson, and Mr. David Samborsky. Following the service Rev. Phillip Petursson and Mrs. Petursson entertained at a reception at their home.

Mr. Steve Benedictson of Jasper Place is the happy recipient of the Province of Alberta Queen Elizabeth Scholarship amounting to \$1,000, and is at present enrolled as a student at the University of Alberta in a course in Civil Engineering. During the summer months he was employed as a battery operator with the Imperial Oil Co. Ltd. at Red Deer. We offer hearty congratulations.

DANIA

Mr. and Mrs. C. Christophersen, 10873 - 75 Street, will be celebrating their Golden Wedding Anniversary on Nov. 26. All their many friends extend many good wishes and congratulations.

Happy Birthday greetings to all who celebrate in November. Here are some which we know: Mrs. Ejner Mortensen, Mrs. Kjeld Sondrup, Miss Bente Larsen, Miss Lejla Andersen, Thorvald Nielsen, Axel Christensen. Mr. and Mrs. Louis Nielsen celebrate their wedding anniversary this month. Our hearty congratulations to all!

Borge Jorgensen, one of the Jorgensen Bros. Ltd., is now back in Edmonton after spending a seven-month holiday in Denmark. Good to see you back!

"Bikuben" will meet on Nov. 21 at 8:00 p.m. at 10029 - 85 Avenue. All Danish-speaking ladies are welcome.

Miss Elen Thomsen of Red Deer will be leaving Denmark on Oct. 29 after vacationing there since the beginning of April.

Haandbold Klubben "Freja" har nu faaet Lokale i Scona Composite Highschool, 73 Avenue and 104 Street, der spilles hver Tirsdag Aften Kl. 7.45. Alle unge mand og kvinder som har lyst og interesse for Haandbold er velkommen.

The name "DANIA" to most Danes in Edmonton means a dance and a good time. In Latin, Dania means Denmark, a very fitting name for our Society inasmuch as that is exactly what the aim and purpose of the Danish Society is—to be a little bit of Denmark far away from home.

Let's look back a few years . . . you will remember the fourth of May celebrations, the Axel Schoitz Concert, the Danish Gym Team, the Royal Silver Wedding celebration—all worthy undertakings of our Society.

It may not be common knowledge that the Dania Football Team was sponsored and backed by the Society "DANIA".

After the Danish Gym Team performance in 1959, a group of young gym enthusiasts got together with the Society Directors with the result that all equipment used by the Gym Team was bought by Dania at a cost of nearly \$500.00.

During last winter quite a number of young people—boys and girls—made good use of this equipment, thanks to several people who donated time as instructors.

In order to give as many as possible a chance to participate, only a small fee was charged; not enough to cover expenses for hall rent, advertising, etc. We are sure

REMEMBER . . . ?

Yes, we believe you do! At least so is the case with all of you who attended Nordmannsforbundet's very successful "Sildeaften" last year. Unfortunately a few unlucky people missed this event, but this year there is no reason why they should.

You will be served a delicious meal; you will dance to the music of an excellent orchestra; refreshments will be available.

Everyone is welcome—and as the committee will have nothing but perfection in mind, we ask you to secure your tickets before Nov. 2 so that they will know how many are coming.

Tablets of Cream

Cream in tablet form appears to be on its way to becoming a big new Danish export line. It was introduced at this year's Food Fair in Aalborg, Denmark, and there will be an annual production of 100 tons or 20 million tablets. The inventor is Mr. H. S. Brochner, for some years manager of Canada's largest dairy at Calgary, Alberta, who has taken out 45 dairy patents. The tablets will be of use chiefly in hot countries where cream is not easy to keep.

ON CANVASSING

By Eileen Peterson

Canvassing requires only one main attribute—sincerity! If you believe in what you are selling, you'll enjoy canvassing—and more, you'll find that you're successful!

Because you have never taken part in a drive or have never sold anything before, don't feel that you're eliminated as a canvasser. At the very least you'll enjoy meeting new people.

There are hundreds of people in Edmonton who would be genuinely interested in the Centre which we are striving to bring into being—if they had ever heard of it! We are trying to give every person of Scandinavian descent in this city that opportunity. We know that if this could be accomplished there would be enough share applications to start our building in 1961.

\$60,000 sounds like a lot of money—it is! It means we must find 1200 people who will get behind our project. We know that there are well over this number of people in Edmonton who are not familiar with the Centre. The problem has been twofold—finding out who these people are, and getting someone to go and tell them about it. We have the names, but how are we going to find the people to tell them about the Centre?

It requires quite a number of canvassers to cover 1200 people if we are to do it in a short period of time. Many people have worked very hard in the past campaigns and will be doing so again in the forthcoming one. But we desperately need more people to help!

Do you realize that if each person who receives this paper made just one call—3000 new families would have been told about the Centre? And even if you feel that you can make only one call—please phone GA 4-7311 and tell the Secretary that you will. If "George" is left to do it, it's going to be a long time before our Centre becomes a reality.

From The Secretary's Desk

By S. A. Sorenson

GENERAL NOTE

The secretary's desk has never been so busy! Inquiries are received from far and near and brochures and applications are mailed nearly every day, and every day brings share applications and money rolling in. To an already busy agenda is added the preparatory work for the launching of the biggest campaign the Centre will ever have experienced. For details see Page 3.

ART ANDERSEN PRESIDES AT DIRECTORS' MEETING

The addition of P. Norman Christensen and Norman Pettersson to the Cultural Activities Committee was approved. Mr. Norman Pettersson is the new chairman of this committee and will be in charge of program arrangements for Scandinavian Night on January 21, 1961.

SHARE-SELLING COMMITTEE MEET

CULTURAL ACTIVITIES COMMITTEE MEET

A very enthusiastic meeting was held at the home of Mrs. Vera Nielsen on October 18, with the new chairman, Mr. Norman Pettersson, in charge. We are sure that they have some real surprises for us when January 21st rolls around.

The Burning of Njal's Farm

Investigations by the laboratory of the National Museum in Copenhagen have now established that the burning of Njal's farm, Bergterswall, took place about the year 1,000, which tallies with the saga. A year ago the National Museum received a piece of charcoal which members of the staff of the Icelandic National Museum had unearthed on the presumed site of Njal's farm. The dating was made by means of radioactive carbon

C14, which gives measurements correct to one hundred years. Historical sources suggest that the fire took place in 1011.

Swedish Composers Benefit

Five noted Swedish composers recently cut a melon of 100,000 kronor, each receiving 20,000 kronor or about \$4,000. The money had been raised by the 260 Lions Clubs in Sweden and the Swedish broadcasting company, which early this year launched an intensive campaign for the benefit of composers of serious music. Most of these, the sponsors observed, are working on minimal budgets, in Sweden as in other countries. The stipends were presented to the winners by the head of the broadcasting company during the course of

Major Norwegian-Swedish Power Link Opened

New power plant, located in the Norwegian province of South Trondelag, was officially opened on Sept. 26 by Norwegian Prime Minister Einar Gerhardsen. At the same time, Swedish Premier Tage Erlander pushed a button to connect the plant with the national power grid in Sweden. The Nea plant, which will export half of its output to the Swedish capital of Stockholm, is the first major power link between the two nations. The dedication ceremony took place in the plant's master control room, blasted over 3,500 feet into the mountain, with a solid rock ceiling of 750 feet. Artificial lighting simulates daylight and real plants grow outside the windows.

SWEDEN'S CLOSEST EQUIVALENT TO GRANDMA MOSES, the textile artist Anna Casparsson, celebrated her 99th birthday on Oct. 10 when the Modern Museum in Stockholm opened an exhibit of her needlework. She started her embroidering career at the age of 64. In 1945, when she was 84, she won public recognition, and since then she has had several exhibits, including one in Paris. Her motifs are taken mostly from the tales of Hans Christian Anderson and other popular folk tales from all over the world, but she also depicts scenes from her own life.

a combined radio and TV program. The recipients were Sven-Erik Back, Karl-Birger Blomdahl, H. Nilsson, Gosta Nystroem, and Hil-ding Rosenberg.

THE GREAT TENOR, Jussi Bjorling, who died of a heart attack on Sept. 9 at the age of 49, was mourned by the whole Swedish people. The singer was buried in his native village of Stora Tuna in the province of Dalarna.

THE MAGIC FORMULA . . . 50-60-61

By S. A. SORENSON

Yes, that is the formula which is the secret to our success in reaching our quota of \$60,000 in the forthcoming Campaign. "Buy a \$50 share in '60 and build in '61."

The Campaign officially opens November 8th and closes November 22nd. Every Scandinavian in Edmonton, Beverly and Jasper Place will be canvassed and asked to support the Scandinavian Centre.

There are 139 canvassers divided into 12 teams as follows:

EDMONTON NORTH-WEST—Captain Eric Pierre.
EDMONTON NORTH—Captain Willard Modin.
EDMONTON NORWOOD—Captain Kjeld Sondrup.
EDMONTON NORTH-EAST—Captain Sven Jacobsen.
EDMONTON CENTRE—Captain Julius Hober.
STRATHCONA WEST—Captain Viss Merna Kvarnberg.

JASPER WEST—Captain Knut Svidal.
STRATHCONA CENTRE—Captain Mrs. Vera Nielsen.
STRATHCONA EAST—Captain Rudy Sund.
BEVERLY—Captain Louis Waage.
JASPER PLACE—Team No. 1—
Captain Clifford V. Johnson.
Team No. 2—Captain Norman Vigfusson.

The Campaign will open with a big rally of all canvassers at the Devlin Banquet Room at 8:00 o'clock on the evening of Tuesday, November 8th.

As this paper goes to press, we are still short of canvassers. Will you volunteer your support by phoning now to S. A. Sorenson at GA 4-7311?

This is an "all-out" campaign to end all campaigns for money to build our Centre. We must support this Centre now by buying as many shares as we can afford. You may make a small deposit now and pledge the balance for the time when the building program begins.

For more information about the Centre, listen every Sunday to the Scandinavian Hour on Radio Station CKUA at 12:30 p.m. Erik Pedersen, Kris Seeberg, Ingerid Seeberg, Rigo Gustavson and Mrs. Nordin are doing a wonderful job in keeping listeners informed about the progress of our Scandinavian Centre. Listen especially to their program on November 6th which is dedicated to the Scandinavian Centre.

Just a word about the thermometer . . . let us all make an all-out effort to support the Centre Project this month so that our building thermometer will rise right to the top by the next issue of this paper.

Our Growing Youth Of The Vasa Order

By Supervisor of Alberta District No. 18

When Mrs. Helga Hoving gathered together a group of Swedish-American youngsters 39 years ago to teach them Swedish folk songs, stories, folk-dances, etc., she probably did not realize that her unselfish interest in the children and Swedish culture would take root and spread throughout the United States and Canada. That is why today we have organized children's clubs under District and Grand Lodge supervision.

The first children's club was organized on Dec. 10, 1921, in New York City. To mention the names and data of all the clubs which

have been organized through the years would take up too much space in this article, but they

spread rapidly throughout United States and Canada, and even Stockholm, Sweden. The Edmonton Club, For-Gat-Mej-Ej No. 73, was granted a charter in November, 1934.

From the Grand Lodge Supervisor's Report in 1958, there were 50 clubs in 13 Districts, with a membership of over 900 children. The foremost activity of the children's club was to learn the Swedish language and culture, and to promote interest in their parents' homeland.

The functions which some of the Vasa children have attended in the U.S.A. are: Sweden Day at the World's Fair in Chicago in the year 1934, in New York in the year 1939-40; and also the 300-year Jubilee in Delaware in 1938 when 400 children attended from different States. They also had the opportunity of travelling to Sweden in the years 1924, 1929 and 1933 to see the land they had heard so much about. An average of 40 children took part in each of these trips. There they were welcomed with open arms and had the opportunity of performing for one and all.

Here in Edmonton the children took part in the Carnival of Nations and other Ethnic functions. They have also assisted Skandia and other lodges at their programs with song and musical selections. The Vasa children also have the

(Scandinavian Centre)

By Elsie Simmons

Tune "Waltzing Matilda"

1. Hear now, hear now, all you Scandinavians,
We have a last job, a big job to do,
There's the Centre, the Centre for all Scandinavians,
Takes lots of dough and it's up to you.

Chorus:

Come to the rescue! Come to the rescue!
Let's get it started in '61—
So, buy a share, sell a share, tell the people everywhere,
Pulling together it will be done.

2. Now Danes, now Swedes and all you Norwegians,
Finnish and Icelandic people too,
Come heave ho! Heave ho! All you Scandinavians
United and loyal we'll see it through.

Chorus:

3. The Centre, the Centre, what rejoicing there will be,

So swing-along, sing-along, all in happy harmony,

Dania Gymnastic Club

The general meeting of the club was held on September 21, 1960, at the Masonic Temple. Kristensen elected publicity chairman; Mrs. Lise Christensen elected chairman of the telephone committee; Mrs. Ruth Kirk elected director.

Having another year of their terms to complete, vice-president Otto Henriksen and treasurer Mrs. Bente Hagen will continue in office.

Foreign Minister States Norway's Views To U.N. General Assembly

Foreign Minister Halvard Lange last week paid warm tribute to U.N. Secretary-General Dag Hammarskjöld. In a statement to the U.N. General Assembly he warned against any major revision of the Charter, and said Norway was prepared to increase its contributions to U.N. economic and technical aid programs.

Mr. Lange voiced hope that the General Assembly would re-establish machinery for resumption of disarmament negotiations, and that talks on nuclear tests could be brought to a successful conclusion. He also renewed Norway's offer to include Norwegian territory in an international inspection scheme.

Mr. Lange paid unreserved tribute to the U.N. Secretary-General for his initiative, firm leadership and impartiality in handling the situation in the Congo. Also, he wholeheartedly endorsed the statement made by Mr. Hammarskjöld as the chief executive officer of the United Nations. On behalf of the Norwegian Government, Mr. Lange expressed satisfaction with the ability of the U.N. to augment and strengthen its machinery to meet new requirements without deviating from the basic interrelationship between the main bodies of the organization as laid down in the Charter. The Foreign Minister fully associated himself with Indian Premier Nehru's view that efforts to improve and strengthen the U.N. should be a process of gradual improvement and expansion. "We should not drastically tear apart what we now have and embark on a major revision of our Charter," he declared.

Turning to the vital task of limiting and preventing local conflicts, Mr. Lange said Norway felt compelled to reconsider what realistic assistance the U.N. could render in Algeria, with a view to

speedy and peaceful implementation of the agreed principle of self-determination. He said the Norwegian Government looks with growing concern upon the situation in the Union of South Africa and in South West Africa, as well, and sincerely hopes the U.N. can render effective assistance.

honour of taking the initiative of celebrating Lucia Day in America.

From the beginning of children's club activities, small contests in reading of verse and prose, singing and dancing, were arranged. These ideas seemed very successful, but after Dr. and Mrs. Hoving had travelled to Sweden, these compositions came to a standstill. However, Mrs. Hoving's thoughts often wandered to this art which had become so much a part of her. This is when she decided to donate \$30.00 to be given to the Vasa Junior who wrote the best Swedish composition, and that is how the Helga Hoving Essay Contest originated. This was followed up by Malardrottningen Lodge of Sweden giving 50 kronor to be added to these prizes. Later the Grand Lodge graciously complimented this with a stipulated sum to be divided up into smaller prizes. Since then both Stockholm and Malardrottningen Lodges have made generous donations. Acknowledgments from Supervisors and the young prize winners have shown that the prizes are greatly appreciated.

Since 1937, on the initiative of

Past District Supervisor Mrs. Bertha Benson of Chicago, a decorative stamp has been printed in pleasant colors which depicts children wearing Swedish national costume. These stamps are sold and the profit goes towards furthering children's activities.

The Vasa Ordens songbook of today came into being when the Vasa Juniors requested a book consisting of simple songs and light melodies. This request, however, could not be realized at the time. Finally at a Grand Lodge meeting prior to 1946 it was again reviewed and at this time a decision was made to support this important project. Through the whole American press a call was sent out asking for Swedish songs suitable for the Vasa children's songbook. Over three thousand songs and music sheets were received. That is how our Vasa Ordens songbook originated.

Membership in the Vasa Junior Clubs consists of Scandinavian children in the age group of five to 16 years, with no obligation for parents to be members of a Vasa Lodge. The active participating members receive a Vasa Junior pin which is donated by Grand Lodge.

In 1940 one of our Past Grand Lodge Masters, Bernhard Krafft, organized the first youth clubs, ages ranging from 16 to 21 years, with the idea of interesting young people in active membership within our lodges. Many of our members of Junior and Youth Clubs have transferred to active membership within the Vasa Order.

To name all the intendents, leaders and members who have, for so many years, faithfully and unselfishly worked for the Vasa children's interests, is not possible. This may seem a thankless task, but it is a seed sown for the future which will bear fruit.

THE LARGEST ARMY MANEUVERS in Sweden since 1954 will be held Sept. 30 to Oct. 8 in the western parts of the country. About 40,000 men will take part.

Power Line Sweden-West Germany Being Considered

A 380,000-volt power line between the city of Halsingborg in southern Sweden and Hamburg in West Germany figures prominently in tentative plans for Scandinavian-German co-operation in the field of energy.

A special committee has been set up to explore the matter, aided by five subcommittees of power experts. The power systems in Scandinavia have already been connected, and Sweden is able to exchange power with Denmark, Finland and Norway. International co-operation in this field is being expanded, since the power supply within areas that are able to co-operate varies a great deal and the advantages of co-ordinating the productive resources thus become more

and more obvious. The output of electricity in the Hamburg district is based on steam power, and co-operation with the large water-power plants in Scandinavia seems attractive from economic viewpoints. Connecting the steam-power stations in West Germany with those in Denmark and southern Sweden may also be advantageous.

THE PARKING FINE SYSTEM will be simplified in Sweden next year, according to a bill to be presented to the Riksdag early next year. The violator will get a ticket stuck to his car with a postal cheque blank attached. If he then pays the amount stated within a certain period of time, the matter will be out of the way. Only notorious transgressors will be hauled before court.

Household Hints

The juice of a lemon is usually about three tablespoonsful.

For neat lining of cake pans use two sheets of paper; one for length and one for width.

Making tomato soup? Then stir the hot juice gradually into the soda to prevent curdling.

When melting chocolate for baking, place it on a piece of wax paper in the double boiler. Then simply lift out the paper, scrape it off, and you will have both chocolate and dishwashing.

If cream fails to whip, add an egg white, put it back in the frig for a while and then whip again.

To prevent pancakes from sticking to your pan, rub the pan with a raw potato first, before you put your grease in.

To prevent your top pie crust from breaking, roll it around your rolling pin, then unroll it as you put it over your fruit filling.

Add icing sugar instead of ordinary sugar to whipping cream for a smoother texture.

After rice has been cooked and drained, place a slice of dry bread on top of the rice and cover. The bread will absorb the moisture and the rice will be dry and fluffy.

Pour melted paraffin on the cut end of cheeses or dried beef to keep them from molding or drying out.

When drying chenille bedspreads, turn tufts inside. These will rub together while flapping in the breeze and will become soft and fluffy.

Save the empty adhesive tape spool to wind your tape measure on. This will save trying moments caused by a jumbled sewing basket.

When wrapping a package for mailing dip cord in water to moisten. The cord will shrink as it dries and make a tighter package.
